

# “Black Flag” Checklist

---

- No fume hood behavioral program
- < 50% students housed on campus
- “Free” residential parking (rather than a separate fee)
- Campus still doing simple retrofits (occupancy-sensors, relamping, motors)
- No carbon labels on food entrees
- New buildings < LEED Silver
- Campus still provides hot water in restrooms
- No program to enable/re-enable “sleep” features
- AVR < 1.7
- No refrigerator replacement program
- < 1 megawatt renewable power
- No plan to “green up” data centers and computer clusters
- No CHP plant and/or no thermal storage
- No Energy Star procurement policy
- No program to reduce clothes-washing energy and water
- Pervasive bottled water consumption
- No year-end donation program
- > 20 percent of student residents leave campus on weekends
- Friday class schedule < 90% of Monday-Thursday schedule
- No Saturday labs or classes
- No weekend events to keep students on campus
- No weekly farmers market
- No shared-use community garden
