

UCPath = UC Payroll, Academic Personnel, Timekeeping, and Human Resources

UCPath is now live at UCI! This regular executive sponsor message aims to inform the campus community about UCPath-related news and updates.

Project Status Update

[UCPath Online](#) became accessible to UCI employees on January 2. The first UCPath pay was issued to monthly employees on January 2, 2020 and to bi-weekly employees on January 8, 2020. Overall, the transition is on track and any issues found are being resolved quickly.

UCI's new [Employee Experience Center \(EEC\)](#) has been responding to questions about pay, benefits, and UCPath. The EEC also provides access to UCI's most commonly used applications, including UCPath Online, hundreds of knowledge-based articles, and a dedicated team to answer HR, payroll and benefits-related inquiries and issues. Please call or email the EEC if you have questions or problems.

Log in to UCPath Online

As a reminder, UCI employees can now view pay statements, benefits, leave balances, personal information, Direct Deposit, and more at [UCPath Online](#).
