

Dear DFA employees,

I am pleased to announce eight additional **Lean Six Sigma White Belt Process Improvement Training** sessions for DFA employees. I highly encourage you to participate in this 2-hour course to earn your White Belt certificate. It introduces principles of both **Lean** and **Six Sigma**, and how to apply those principles to streamline processes, reduce waste and inconsistencies, and identify other areas of improvement for overall efficiency.

Register for training on [UCLC](#) and search **Lean Six Sigma**.

INSTRUCTOR INFORMATION

Julio Harriague, senior transformation leader in UCI Health's Program & Performance Management Office, is a lean six sigma black belt and has worked in process improvement and change management for over 20 years in various industries. Mr. Harriague has worked on more than 90 projects, conducted dozens of training sessions, and has certified over 300 lean six sigma belts.

We are in the process of setting up one yellow belt training session to occur at the end of September, and we will have information to share within the next week.

Please take advantage of this great opportunity to network with colleagues across the division while learning about process improvement.

Sincerely,

Ronald S. Cortez, JD, MA

Chief Financial Officer

Vice Chancellor, Division of Finance and Administration
